Dear Sirs,

RE: Commendation Letter

On behalf of Village Garden, Savills Property Management Limited I am with great pleasure to write this recommendation letter for our contractor, OHMS Limited, which had been engaged for the supply of fire service equipment and annual maintenance of the fire service installation for our premises in Hong Kong.

We appreciate their timely response in preparing quotations and replying to queries. They managed to complete the works on time and according to the contracts' requirements.

Yours faithfully,
